Whereas the Government of His Highness the Maharaja of Mysore are satisfied that a book known as "The Case for India" by Will Durant, printed at the Hosali Power Press, 'Clarendon Hall,' 6, Ulsoor Road, Bangalore, tends directly or indirectly to bring into hatred or contempt the Government established by law in British India, and to excite disaffection towards the said Government and to promote feelings of hatred between different classes of His Majesty's subjects, and

Revenue Sub-Division, Bhadravati.

READ—

Correspondence ending with letter No. C. 2072—38-39, dated 14th June 1939, from the Revenue Commissioner in Mysore, submitting proposals regarding the constitution of a Revenue Sub-Division with headquarters at Bhadravati.

2. Un-official Note No. 241, dated 22nd June 1939, from the Chairman, Mysore Iron and Steel Works, on the subject.

ORDER No. R. 631-93—L. R. 516-38-4, DATED BANGALORE, THE 25TH JULY 1939.

The question of making satisfactory arrangements for the local administration of Bhadravati (new and old towns), in view of the growing importance of this

industrial area and consequently of the old town, has been under the consideration of Government for sometime past. At present, the administration of the industrial area is vested in a special board, known as the Bhadravati New Town Board, consisting of five members, of whom the General Manager of the Mysore Iron and Steel Works is the Chairman and the Assistant Commissioner in charge of the Shimoga Sub-Division is one of the members. The old town has been constituted into a minor municipal council under the Minor Municipalities Act with the Sub-Division Officer, Shimoga Sub-Division, as its President. In view of his other varied duties, the General Manager of the Iron and Steel Works cannot devote sufficient attention to the municipal administration of the new town and likewise, the President of the Old Town Municipality, who has his headquarters at Shimoga and whose visits to Bhadravati have necessarily to be infrequent, cannot exercise efficient control over the affairs of the Minor Municipal Council.

2. The population of the two towns has been on the increase and with the growth of the labour population, it is desirable to station at Bhadravati an officer who can exercise Magisterial powers.

3. Having regard to these requirements, Government are pleased to direct that an Assistant Commissioner and *ex-officio* First Class Magistrate be posted to Bhadravati as the President of the Bhadravati Old Town Minor Municipal Council and President or Vice-President of the New Town Board. As the work connected with these local bodies will not occupy his whole time, he will be the Revenue Sub-Division Officer of the Chennagiri Taluk also. This arrangement will relieve the Sub-Division Officer, Shimoga Sub-Division, of a portion of his revenue work and enable him to devote more attention to the revenue work of the rest of the Sub-Division.

4. As regards the establishment, the Revenue Commissioner has proposed that the staff as detailed in the statement appended to this order involving an extra expenditure of Rs. 8,540 may be sanctioned. The proposal of the Revenue Commissioner is sanctioned. For the present, 25 per cent of this expenditure will be debited to the Mysore Iron and Steel Works. Necessary provision has also been included in the Budget for the expenditure to be debited to State Funds.

5. Until the requisite accommodation for the office is made available, the Office of the Sub-Division Officer will be located in the Travellers' Bungalow and the Forest Ranger's Quarters will be made available for the residence of the Assistant Commissioner in charge of the new Sub-Division.

B. T. KESAVIENGAR,
Chief Secretary to Government.
